## WHY CALL IT “THE POOR PEOPLES CHURCH”?

*Jesus walked with the poor.  
We try to walk like Him.*

Many resist the word **poor**.

Jesus didn't.

Before God, we all live in poverty.

Our broken world thinks that wealth gives us worth and worldly success gives us standing.

Jesus shows us that real value is found in compassion, humility, love, and community.

His first church was full of outcasts, wanderers, and the poor. Not because they were less, but because they were ready...

...Ready to receive something greater

...Ready to stop chasing false promises

...Ready to live fully, even in pain

...Ready to love and to be loved

## WHO IS IT FOR?

You. All are welcome **as-is**.

Whether you're:

- Housed or unhoused
- Addicted or healing
- Certain, skeptical, or seeking
- Dirty, anxious, or mentally exhausted

You're welcome just as you are.

We reach out to:

- The poor
- The grieving
- The rejected
- The forgotten

No membership. No prerequisites.

If you're reading this, **you belong**.

## WHO WE ARE

We walk with those who hurt.  
We reflect the grace we've been shown.  
*Not to fix. Just to be present.*

We worship Jesus by living like Him.

We believe:

- Every individual is God's child
- Everyone is broken, and everyone is loved
- Everyone has a right to claim a new beginning
- Kindness is the true measure of faith
- We welcome questions, doubt, and personal spiritual growth over conformity
- Peace is stronger than pride
- Love sees past every label
- Selfless, committed loyalty within relationships is an act of faith
- Joy in the next life begins with service in this one
